É sob o lema "Table Passion Meetings" que apresentamos o novo catálogo de lifestyle para a primavera/verão de 2017. Em harmonia com as tendências detetadas no paradigma atual do tableware internacional, apresentamos uma seleção de 30 sugestões de elementos essenciais para um ambiente apropriado a distintas situações conectadas a um standard de decoração simples e atual. A realização deste catálogo contou com a preciosa ajuda da Chef Lígia Santos e com a colaboração da Porcel que gentilmente cedeu as peças de porcelana que em muito contribuíram para que o conceito de vestir a sua mesa estivesse presente em cada momento.
