P. 28

A still life composition on a dark, textured fabric background. At the top center is a large, smooth, grey stone. Below it, the word "FANCY" is written in white, serif, all-caps font. To the left of the text is a large, rectangular clump of vibrant green moss. In the center, below the text, is a small, dark, circular object with a clump of moss on top. To the right of the text is a large, irregular clump of moss, mostly green with some white, lichen-like patches.
